***Thank you for your continued support.***

***Did you know Auburn makes custom bearings?***

***Recently one of our customer's current suppliers made the wrong bearings; the lead time for replacement bearings was excessive. We were asked to manufacture the non-standard bearing below in two weeks; 13 days later we shipped.***

***Description of the ball thrust bearing:***

440C SS races and balls,  
416C SS ball retainer

Qty. : 100 pcs  
I.D.: .0827 "  
O.D. : .2362 "  
Thickness: .043 "  
Number of balls: 7 pcs  
Delivery time: 13 days

***We would be happy to look at your opportunity, it doesn't even have to be a crisis.***
